D A G A  
Your kingdom come, your will be done  
D A G A  
That everyone might know your son  
F#/D G A Bm  
And all things under him be one  
F#/D G  
We are for you, Lord  
A Bm A  
We are for you  
G A D  
We are for you

We believe you, Lord  
We believe you  
Everything you've promised us  
We know that you will do  
You'll give us grace to hear your call  
You'll rescue us if we should fall  
And give us vict'ry through it all  
We believe you, Lord  
We believe you (x2)

We'll go with you, Lord  
We'll go with you  
Anywhere your Spirit leads  
Whoever you send us to  
We'll go with you to save the lost  
No matter how extreme the cost  
Lord, send another Pentecost  
We'll go with you, Lord  
We'll go with you (x2)
