

Go Out

By Abby Earhart

D A
Look here and see my hands my feet.

D A
My love for you is made complete.

D A
To the whole world I send you out.

D A
To tell them all I am about.

D A G A
My Holy Spirit you received,
D A G A
go give to all that they may believe.

Refrain:

D A G A
Go out, go out to all the world

D A G A
Be bold, courageous, sing with joy.

D A G A
I give you my word and my life.

D A G A
Now all my children be glorified.

Those tired feet lift up again,
and run the race you once began.
Give strength to the weary and the worn,
that with them you will be transformed.
To serve the poor is my great grace,
that you will see me face to face.

There's tears to dry and hearts to mend.
I send you out as my dear friends.
To be among the ones I love,
and tell them all about my Son.
Thy kingdom come they will be done
it's here among the lowly ones.
