

More For You

By Mary Timler

Capo 2

D A G

At the foot of the cross,

D A G A

There's no other place I would rather be.

D A G D

To see your face, how you look at me.

Bm G A

Your love is all I need!

D A G A

What more, what more Lord, can I give you this day?

D A G A

My heart, my soul, Lord, I'll live your way.

Bm A G

For your life, your work in this world,

D A G A

I'll give more Lord, more for you.

I see my Lord in pain.

On my account he endures such shame.

My friend, he suffers so.

I can't just sit by and watch.

The Lord invites us all,

To join him now and to answer his call.

In poverty and shame,

It's the way he chose, we can choose it with him!
