Come and follow me.

Leave your daddy there, Johnny, come and follow me
And I'll give you revelations...etc.

Put that money down, Matthew, come and follow me
And you'll be my Gospel-writer...etc.

Pick your head up, Mary, come and follow me
And I'll free you from the seven demons...etc.

Pick that Bible up, Esta, come and follow me
And you'll be my missionary...etc.
