The time the pro-phets were fore - tel-ling With signs and won - ders now is come.

O bro - thers can you hear them cal - ling? O sis - ters let us to them run!

As Christians to their neigh-bors go - ing Tell how God's king - dom can be found.
Each one for - giv - ing past of - fen - ses As shouts of joy ring through the air.
Our Lord un - to him - self is drawing All things on earth and heav'n in one.
