

# Grow Together

By Mary Timler

**G C**  
Find your shovel, find your trowel.

**G D**  
God's given us land to weed and plow.

**G C**  
There's work a plenty, room for all.

**G D**  
We'll grow together as we work this soil.

**G C D C G**  
Let's grow together as we work this soil.

**G C**  
**And we'll grow, grow,**  
**G D**  
**Work the land and mow.**

**G C**  
**So all will know, know,**  
**G D**  
**God's love is planted in this place.**

**G C D C G**  
**Let's plant God's love in this place.**

Rocky dirt, glass and trash,  
You're no match when God says, "Grow."  
With prayer and plans, eyes of faith,  
We're making this a blessed place.  
Let's make this a blessed place.

We'll plant and water, watch it go.  
With God's blessing our fruit will grow  
To share with each other and those in need.  
We'll bear fruit here and in eternity.  
Let's bear fruit here and in eternity.
