Matthew chapter five verses three through ten

If we're meek and itty-bitty

We're 'bout to own this city

If we're meek and itty-bitty, WE'RE BLESSED

If we're hungry for the Lord's way

We're gettin' ready for the Lord's buffet

If we're hungry for the Lord's way, WE'RE BLESSED

CHORUS

If we're always helping people get through

We can count on help to get through too

If we're always helping people get through, WE'RE BLESSED

If God's the only one we serve

We're gonna' see him that's for sure

If God's the only one we serve, WE'RE BLESSED

CHORUS

When we're helping people reconcile

God's yelling, "Hey, that's my child!"

When we're helping people reconcile, WE'RE BLESSED

Getting hated on for doing right?

We got a kingdom shining bright

Getting hated on for doing right? WE'RE BLESSED
